Would 11 am work?

Short story: Gary and I had very constructive talk yesterday on number of issues. On KP next steps, I don't think we should share dollar range of potential AFI contribution (Gary and I had discussed including some figures). I think it's premature given that business has not got to a number yet. Can always share with her at next round of discussion. Would recommend we simply indicate all the rest – the structure of the proposed outcomes, the potential for substantial contribution from AFI, fragility of the goal but clarity of purpose for comprehensive third party releases, etc.,

Thanks.

Tim
